LMB requires that we would have at least 1 parking space available at the venue, preferably with good access to restock bars, and for loading and unloading our van. We would also need sufficient time to set up ready for service. This is normally around 60-90 minutes.

#### **Glassware**

For most of our events we would use glassware to serve. Where venues do not have facilities to wash and sanitise glassware, we would use disposable and recyclable glasses. We would work together with clients to use glassware as much as possible.

#### **Complaints**

LMB takes customer service very seriously. If you are unhappy with our service at any time from booking to the evening of the event, please let us know so we can rectify. This would be via our email address, listed phone numbers or contact form on our website.
